

PI DBox

Dispenser Distribution Box from Progressive International

Progressive International's Dispenser Distribution Box does it all. It is available in versions compatible with major dispenser brands, yet is smaller and less expensive than their own distribution boxes. PI DBoxes are designed to connect up to 16 fueling positions. Clear LED diagnostic indicators for dispenser data flow ensure ease of both installation and operation.

PI DBox

*Replaces the dispenser manufacturer's DBox.
Smaller in size. Lower in price.*
